**RAE Systems Announces Third Quarter 2007
Results Conference Call and Webcast**

San Jose, Calif. – Oct. 26, 2007 – RAE Systems Inc. (AMEX: RAE), a leading global developer and manufacturer of rapidly deployable, multi-sensor chemical and radiation detection monitors and wireless networks for industrial applications and homeland security, today announced it will release third quarter 2007 results after the markets close on Thursday, November 1, 2007. The company will hold a conference call to discuss the results on Thursday, November 1, 2007, at 1:30 p.m. P.T. (4:30 p.m. E.T.). The conference call will feature remarks by Robert I. Chen, chief executive officer, and Randall Gausman, chief financial officer, and will be followed by a question-and-answer session.

Interested investors can now pre-register for the conference call and avoid the pre-call delay. Using the URL below access the pre-registration page, investors will receive an email with a conference day dial-in number and an access code that by-passes the usual call registration process.

<https://www.theconferencingservice.com/prereg/key.process?key=PQD6A8UR6>

The call can be accessed in the U.S., toll-free, by dialing 888.713.4213 and internationally by dialing +1-617.213.4865 approximately 15 minutes prior to the start of the call. Please use pass-code: 94554926. The conference call will also be broadcast live over the Internet and available for replay for 90 days at www.raesystems.com. A replay of the call will be available via telephone for two business days, beginning two hours after the call. To listen to the telephone replay in the
